**RAVENNA, OHIO** – Executive Officers of Portage Community Bank, including: Rick Coe; Chief Executive Officer, Kevin Lewis; President, Connie Bennett; Chief

Operations Officer and Jill Conard; Main Office Administrator, joined Chairwoman of the Board, Margaret Medzie at the March Ravenna School Board Meeting.

The purpose of their attendance was to be on hand when Superintendent of schools, Dennis Honkala announced the Ravenna City School System and Portage Community Bank were collaborating to re-name the High School Stadium to Portage Community Bank Stadium.

Mr. Honkala began by explaining to those in attendance the background on the existing Ravenna High School Stadium. He described the existing conditions of the stadium and clarified the fields could not be used to host track and field events or playoff football games until they were updated. It was decided to form a committee. Mr. Honkala made it clear the Board did not want to go back to the community and ask for more levy dollars. Mr. Honkala stated, "Based on their reputation and leadership in the Community, and after much deliberation, our overwhelming and unanimous decision as a committee was to go to Portage Community Bank.

Rick Coe stated, "We are truly honored to be chosen for this prestigious opportunity." Kevin Lewis added, "It is a true testament of a continued relationship with the school and community."

Margaret Medzie expressed her heartfelt thanks for the trust that the school district and community has placed in PCB. "Portage Community Bank has been in the community for 15 years and to think this is where we would be today is truly exciting for all our employees, Shareholders and Board of Directors."
